## PRETTY WEDDING AT MAYNE

Miss Ellen Garrick Becomes The Bride Of William George Adams

MAYNE ISLAND, July 5.—As if to emphasize the old dictum — "Blessed is the bride whom the sun shines on," the weather, which, on the morning of the 29th, had been showery and thundering, put on its best behavior as it neared the hour for the marriage between William George Adams, R.C.A.F., of Vancouver, and Miss Ellen Garrick of Mayne Island.

With the sun shining gloriously, the whole island attended the little Church of St. Mary Magdalene, nestled on the slope overlooking Active Pass, to do honor to the daughter of one of the oldest, and most respected, families in the Gulf Islands.

Escorted by her bridesmaids — Miss Mamie and Miss Kathleen Garrick — the radiant bride, dressed in a full-length dress of white tulle lace over tulle, with a white full-length veil, and long lace gloves to match, was united in holy matrimony to Mr. Adams, by the Rev. J. D. Addison, rector of the parish.

Leslie Garrick gave his sister away, while Louie Shadot was in attendance as best man.

A reception was afterwards held at the bride's home, where the many relatives and friends were received by Miss Mamie Garrick and Miss Kathleen Garrick, sisters of the bride. The former was dressed in dusky rose triple sheer chiffon, jacket to match, long white gloves, and white picture hat. The latter in turquoise blue marquisette over floral satin, lace gloves to match, and white picture hat.

The toasts for the future happiness of the bridal couple, and many other toasts, were drunk with great elation.

The S.S. "Princess Mary" made a special call on her return route to take on board Mr. and Mrs. Adams, and the large party of friends who had come from Vancouver for the wedding.

The love and esteem in which the bride's family is held on the Gulf Islands was amply demonstrated by the beautiful floral decorations in the old church, and the heartiness with which the large assembly of people cheered the bride and bridegroom as the "Princess Mary" slipped away from the Government wharf.

The many wedding presents were on view at the reception, and the very excellent wedding-cake was made by Mrs. Dave Bennett, aunt of the bride.

## DOMINION DAY IDEAL FOR PICNIC

Dominion Day, Saturday, July 1st, proved to be excellent picnic weather and Sidney Island perfect picnic grounds for the annual outing of the congregation and Sunday School of St. Andrew's Church. Five boat loads of parents, children and friends journeyed the short distance from Sidney to the island soon after 10 in the morning.

Lunch was served soon after arrival and the afternoon was taken up with sports, which included soft ball games, on the long stretches of sand. Several of the picnickers walked to the end of the sand spit while others hiked up the trail to the brickyard. Supper was enjoyed before the happy crowd left for home.

Anyone missing belongings — dishes, hats, bathing articles, etc., may obtain same by calling at the Sidney Bakery.

## WINS ROSE BOWL AGAIN

MAYNE ISLAND, July 5.—"Say, pop, you owe me five bucks!" Thus young Peter Roberts to his dad, as he turned in the best score to win "The Macgregor Macintosh" Rose Bowl for the second consecutive year.

In showery weather, with a full attendance of members, the youngster stroked his way to victory, playing beautiful golf over "Hardscrabble."

Jimmy Drysdale (notwithstanding the gale) had the course well-groomed and manicured, and the greens in splendid condition. Remarks overheard by your reporter about Jimmy's greens were—"Never known them better." "Bang your approaches up, the greens will hold 'em." "Hamish sure takes great pride in his greens!" — and they WERE good.

Dr. Roberts was second. Frank Heck, Juddy Cullison and Maurice Greene close on his heels.

## DENTAL CLINIC VERY MUCH APPRECIATED

GANGES, July 5.—The regular monthly meeting of the Ganges Women's Institute, which will be the last for the season, took place Friday afternoon at the summer homes of Mrs. Charlesworth and Mrs. T. F. Speed, North Salt Spring.

Following routine business, the president, Mrs. Charlesworth, who was in the chair, gave a most gratifying report of the splendid results achieved by the dental clinic, by which 70 children from all parts of Salt Spring had been treated; letters were read from parents, expressing their thanks to the institute and praising the treatment, received by the children, at the hands of Dr. Coghlan.

There was a lengthy discussion on the possibility of establishing, next September, a youth training school on the island. Before arriving at any definite conclusion in this matter, it was decided to canvass the island and see if it were possible to obtain 20 members, in addition to the available 10 from Pender Island.

It was arranged to hold the next meeting on Friday, September 29th, in the Institute Room of the Mahon Hall.

Following the indoor meeting, the members, 20 of whom were present, were entertained by the president and Mrs. Speed to a picnic tea. Before leaving the members expressed their pleasure at the visit and their enjoyment in the beautiful surroundings.

### EXPRESSES THANKS

The following letter was received by the convenor of the local unit of "Friends of China" and may prove interesting to many of our readers—Editor:

Mrs. C. Estelle White, Sidney, B.C.

Dear Mrs. White:—On behalf of the Committee for Medical Aid for China, I wish to express our thanks for the splendid collection of clothes, bandages and dressings which your group has sent to us to forward to China. It is a great encouragement to receive a consignment of this kind, so beautifully done and coming just in time to be sterilized with ours. A shipment about the same size as yours from the Vernon unit will also go forward with ours next week.

Our consignment leaving next Saturday will contain several cases of clothes and approximately 3,000 bandages, dressings, etc., a case of blankets and \$100.00. We are in the midst of a blanket campaign and are getting friends of the cause to donate wool left-overs and knit strips to make afghans which will add to the blankets we can collect. In case any of your friends can find the time to knit, we are using 50 stitches on No. 9 needles and knitting strips 6 feet long which will be joined together to form blankets 4 1/2 feet wide. We make four-ply the standard wool and use thin wool double. Your own group must be too busy to undertake such work but there may be some friends of your committee who could. We find some of our own workers who are fond of knitting like to do it.

Mrs. Clarke now tells us that it is becoming impossible to send on clothing into China and that they keep it in Hong Kong where it is badly needed for refugees there.

MAY H. TRIPP, Secretary, Committee for Medical Aid for China.

617 Broughton Street, Victoria, B.C., July 1st, 1939.

### ISLAND VIEW BEACH ROAD

Sir:—Some time ago an item in the press announced that the Saanich Municipality has undertaken the construction of a road around Island View Beach. While this is a move that will prove of inestimable benefit to the question rises as to why the project should be shouldered by Saanich.

The opening of this road will provide a wonderful scenic drive along miles of clean sandy beaches. Carrying the idea a little farther, it would be a simple task to utilize the disused C.N.R. grade and continue the road to Sidney where so many of our tourist visitors first set foot on Vancouver Island. Natural picnic and recreation grounds, a bathing pool for children and a sheltered bay for water sports will be automatically opened. These fall into the category of tourist attractions and surely, as such, come under Provincial jurisdiction. Corps of men are available for development work that has not a tinge of the potential worth of this project. Why should not our unemployed be utilized on a project which will mean added revenue, not to a localized area, but to Vancouver Island as a whole.

Authoritative sources give the reason of the proposed road as an effort on the part of Saanich to protect an existing drainage ditch. It must be borne in mind that this ditch was built to combat the plague of mosquitoes and to eradicate a menace to health. This problem was primarily one for the Province and Federal Departments, yet it was left for Saanich to solve. On this count alone Saanich has the right to look for Government co-operation.

S. A. ALLISON.

### SOCIALISM AND HUMAN NATURE

Sir:—All those who advocate Socialism, whether 'Communists,' 'C.C.F.'rs or 'Christian Socialists,' are constantly running up against that old retort, 'you can't change human nature.' It comes from all directions, big business, political, banking, and even from some sincere working people, who apparently haven't taken the trouble to dig very deep into the question.

No doubt the first missionaries who tried to convince cannibals that it was unethical to eat one another were met with that same old snag that we hear so often today, 'You cannot change human nature.'

If Socialism is against human nature, then why are we satisfied with public ownership of the post office, highways, police force, libraries and universities? Ask Winnipeg and Milwaukee if their successful public ownership of utilities is contrary to human nature and they will likely tell you that the question is not one of changing human nature, but instead means its enlightenment and direction.

Socialism simply means doing what Capitalism cannot do, viz., regarding the economy of the whole country so that those who belong to the country will have a country that belongs to them. In this way people may use the good things of life according to their power to produce them.

Millions of years of evolution have made human nature what it is. Fundamentally I don't think it is so bad. Men and women often give their lives and suffer

for others. Untold numbers died in 1914-18 for Democracy (Their monuments are everywhere). So what is wrong with human nature? Should not people believe in themselves?

## DOG RESPONDS TO BIG VOCABULARY

To the fame of Rin-Tin-Tin and Strongheart . . . and more recently of Buck, the giant St. Bernard, can now be added another canine celebrity — Wolf, the thoroughbred Alsatian who makes his debut in "It's Love Again," the G.B. production starring Jessie Matthews.

This almost-human police dog in his nine years of life has won 160 prizes. He understands between 80 and 100 words. All are monosyllables such as Jump, Up, Down, etc. If a person uses two, as for instance, Jump down, the dog only obeys the first word he hears.

Wolf has had an extended stage career for which he was trained before he was a year old. The same trainer still works with him, using as his only weapon of authority a rolled-up newspaper. This is chosen because it makes a noise and gives a momentary sting without really hurting him.

Wolf's sense of smell is remarkable, one of his accomplishments being to pick out from a box of matches the single match which his trainer has touched.

The dog was a prime favorite during the filming of "It's Love Again"—not only with Jessie Matthews but with the other members of the cast which includes Robert Young, Sonnie Hale, Ernest Milton, Sara Allgood, Robb Wilton, Cyril Wells, David Horne and Warren Jenkins.

Like a true actor, Wolf likes to be in the limelight as much as possible and reacts immediately to applause which he knows is a signal of approval and flattery.

Playing at the Rex Theatre, Ganges, Friday and Saturday this week.

## SUCCESSFUL DANCE AT BEAVER POINT

BEAVER POINT, July 5.—A very successful and enjoyable dance was held at Beaver Point Friday. This was the third anniversary of the opening of the Beaver Point Hall, and well attended, and excellent music was furnished by Chandler's Orchestra from Victoria.

The hall was prettily decorated with yellow, white and blue streamers suspended from the walls to the centre of the room, where hung a large cluster of varicolored balloons.

The stage was attractively decorated with large baskets of roses, spirea and snapdragons; bowls of roses and spirea were placed on the window sills.

The spot dance was won by Miss Florence Groves and Arthur Hepburn, while Mr. and Mrs. Laurie Mout won the statue dance.

A beautiful silk breadspread, donated by Mrs. A. Emsley, was won by J. Grosart.

Supper was served at 12 midnight.

Many tombola prizes were won by the following: Mrs. W. Coopers, Mrs. Bings, Mrs. W. Coopers, Mrs. R. Lee, Miss Helen Ruckle, Miss Peggy Monk, Andrew Stevens, L. Sands, Arthur Hepburn, I. Lumley, Arthur Lee and others.

The Farmhouse Inn, Arbutus Point, The Haven and Gossip Island.

Mrs. Ronald Page and Mrs. Kenneth Hardy were in charge of supper arrangements while Stanley Page, G. W. Georgeson and R. Page acted as master of ceremonies, respectively.

A pretty cushion made and donated to the hall by Mrs. R. Page was won by Alfred Field of Mayne Island.
